Center for Spiritual Living Palm Desert

Our Center

We provide spiritual tools to transform our personal lives and help make the world a better place.

We encourage a way of life that honors all paths to God, and our spiritual community enables people to live with a personal relationship with God. When God is the focus of our spirituality, then other areas of our lives fall into place – we are happier, we can do more for others, be better stewards of the Earth, and bring peace and harmony to the world.

We extend a warm welcome to all people in search of a spiritual community where they are embraced, affirmed and accepted for who they are. We want everyone to feel inspired and supported to grow into their highest potential.

Youth & Family

Co-Creating a space of Empowerment for Youth & Families Together! Youth programs for kids all ages are conducted at 9am on Sunday. Our Teen Group meets from 5 - 7:30pm on Sunday evenings.

For more information or to volunteer please contact Rev. Mark Accomando at youthempowerfit@gmail.com

Spiritual Education

We believe that the surest path to personal growth is through learning. Our Education Program is dedicated to serving our Spiritual Family by providing many opportunities to learn and co-create a personally satisfying learning experience.

To accomplish this, we have a rich curriculum designed to meet the needs of every student, and a cadre of exceptional and dedicated teachers ready to deliver the material in a way that is interesting, entertaining, and thought-provoking. We are constantly adding new material and class offerings to ensure that there is always something for everyone in our classrooms.

For more information about our education program please contact Rev. Bill Thompson at RevBillT@earthlink.com.

Compassionate Care

We believe in the power of Affirmative Prayer – we see and experience healings in all areas of human experience every day through the application of Affirmative Prayer in and beyond our Center. *"There is a Power for Good in the Universe, greater than you are, and you can use It."* These words of our founder, Dr. Ernest Holmes, remind us of the availability of a loving God that supports the revealing of vibrant health, flowing prosperity, loving relationships and creative expression in our lives.

Whether meeting one-on-one with a Practitioner or Practitioner Intern, attending Healing Services on Sundays or Wednesdays, or placing a request form in the Prayer Request box, members and friends of our Center have come to deeply appreciate the quality of this spiritual work and the resulting positive experiences.
